Photos taken in our sample room and factory. Every bag is made to the buyer's approved sample and specification.

4. Who We Work With

Buyer type	How we work with you
Brand owners	Your design from a sketch or tech pack; sample in 5–7 days; production from 50 pcs; NDA before drawings
Distributors	Existing styles or your own; each order follows the approved sample; ISO 9001 quality system
Wholesalers	Quotes in 2–8 hours, priced by quantity and itemized; your label on existing styles
Procurement buyers	Samples for approval first; production planned back from your delivery date

5. Production Process

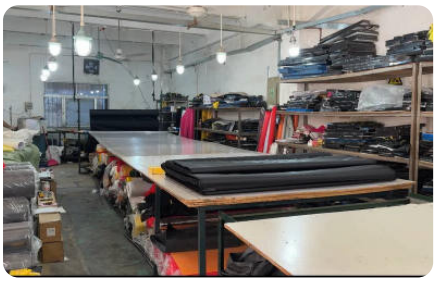

1. Drawing review — sizes, fabrics, trims

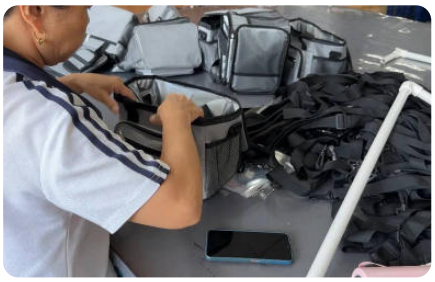

2. Pattern & sample — 5–7 days

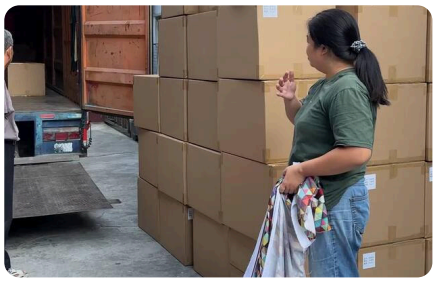

3. Material sourcing — matched to the sample

4. Cutting, logo & sewing — screen, digital and HF embossed logos in our own factory

5. QC inspection — materials, in-line, finished

6. Packing & shipping — EXW, FOB or DDP

6. Order Terms

MOQ	50 pcs per style and color; 10 pcs handled as a sample order
Quote	About 2 hours (simple) to 8 hours (complex); itemized with version date
Sampling	5–7 days after specs and materials are confirmed; simple styles from 3 hours
Tooling (if needed)	7–10 days
Bulk production	20–25 days after sample approval and 30% deposit
Payment	30% deposit, 70% before shipment · T/T, PayPal, Alibaba Trade Assurance
One-time costs	Logo plate or mold fees charged once at sampling, never again for bulk
Sample and logo setup fee	Refunded when your first bulk order reaches 500 pcs
Warranty	6 months for quality defects not caused by misuse or human damage

7. Certificates and Audit
